BEHAVIOUR

All children are expected to demonstrate **perfect** behaviour during after school and lunchtime clubs. Any child that falls below this standard will lose their place and the Senior Leadership Team will decide if they can participate in future clubs.

REMINDER OF THE CLUB SIGN-UP INSTRUCTIONS

As before Club Sign Up will be similar. From 8:30AM on Friday 21st April parents can sign up for the clubs their children wish to participate in. Older children can sign up themselves (with permission), if they are without parents.

All staff leading the clubs will be on the playground at that time to register names of all those interested. If the club booklet states to sign directly with the teacher leading the club, please do so. You will not be able to sign up for those clubs at the Office. Please form an orderly queue at that member of staff, so that they can take down names.

For all other clubs, as stated, please sign up at the School Office. If a queue forms, please queue around the designated footpath behind the white railings for your own safety and not into the car park.

For all limited space clubs, children will only be able to sign up for TWO of them in the interests of fairness.

For some sporting clubs you do not need to sign up again, simply continue to attend. There may still be some places left with these clubs, so please ask the teacher if there is space if you are interested.

Remember for some clubs, places are limited, so please do not be disappointed if your child does not obtain a place. Maintain a growth mindset, as there will be other opportunities in the future or simply try and join something else where there is a space. Remember this is still a new system, so your understanding would be appreciated as we all get used to it.

We look forward to seeing the level of interest in the clubs we have on offer.
