### **BEHAVIOUR**

**All children are expected to demonstrate perfect behaviour during after school and lunchtime clubs. Any child that falls below this standard will lose their place and the Senior Leadership Team will decide if they can participate in future clubs.**

## **CLUB SIGN UP INSTRUCTIONS**

From 8:30am on Monday 11<sup>th</sup> September parents can sign up for the clubs their children wish to participate in. Older children can sign up themselves (with permission), if they are without parents.

All staff leading the clubs will be on the playground at that time to register names of all those interested. If the club booklet states to sign directly with the teacher leading the club, please do so. You will not be able to sign up for those clubs at the Office. Please form an orderly queue at that member of staff, so that they can take down names.

For all other clubs, as stated, please sign up at the School Office. If a queue forms, please queue around the designated footpath behind the white railings for your own safety and not into the car park.

**For all limited space clubs, children will only be able to sign up for TWO of them in the interests of fairness.**

Remember for some clubs, places are limited, so please do not be disappointed if your child does not obtain a place. Maintain a growth mindset, as there will be other opportunities in the future or simply try and join something else where there is a space. Some clubs with limited spaces may, if popular, rotate each half-term to allow those who missed out the first time around. We look forward to seeing the level of interest in the clubs we have on offer.
