

One day we went to the river. The tiny ones found berries and nuts. Me and Um made spears and the Agrown ups were fishing. All of a sudden a boy came running from the forest. We picked up our spears and ran towards it. We threw our spears. Um's spear hit a horse.

We all celebrated and cooked the horse on a fire. and fell asleep.

~~Next~~ When I woke up Um took me to a cave. We picked up a pant brush.

I can write a recount

An amazing thing once happened to me. I was walking along the seashore when the ground gave way. I felt myself falling down down down. When I woke up, I was in a cold and dark place and it smelled strangely of coffee. Where was I? A bell or question mark was in my head. I saw a glint of light and stumbled towards it.

There by the trees was a girl. She didn't look like anyone I knew and I didn't look like anyone she knew. But she took me to her family in a cave. They were very nice to me and gave me some animal skin and stew. They didn't have felt or washing machines but what they did have was bones, animal skin and rock. I found my friends at home was when she had three sisters and 2 brothers. They were very funny.
