Headteacher's Message

Welcome to newsletter number 14.

Our new website is now live with a mobile friendly version available. You will find a range of information as well as latest news and newsletters on the site which we feel is much more user friendly. Next week is the last week in school before the half term break and, as usual, the children will be very busy preparing for the events taking place.

As the weather is getting warmer and children will be outside more often, please ensure that children have a hat and sun cream in school to protect them from sunburn.

Our year 6 children finished their end of Key Stage 2 SATs last week and celebrated by spending Friday on Gorleston Beach. Their behaviour and attitude to the tests was exemplary throughout and they should be very proud of themselves.

Mrs Glendinning

Queen's Platinum Jubilee Celebration

We will be celebrating the platinum jubilee on Tuesday 24th May. Children will spend the day taking part in a range of activities celebrating Queen Elizabeth's 70 year reign. There will be a competitions for the best crown and best portraits of the Queen and all children will get the chance to take part throughout the day. Our main celebration event will be a street party lunch for everyone which will be held in the playground. There will be no hot food served on Tuesday because the kitchen staff will be preparing a buffet lunch for children and staff.

It will be a non-uniform day and children should wear red, white and blue that day.

Phone: 01493 661691, email: office@homefield.norfolk.sch.uk

School Meals

Due to rises in the cost of fuel and food we have been forced to make the decision to raise the cost of a school lunch. We have been subsidising lunches for the last two terms but feel this is no longer sustainable. **The price of a school lunch will be £2.60 per day or £13.00 per week. The increase will take effect immediately after the half term break.**

Online Safety Alert

A few children in school and nursery are becoming very upset after they have been watching Poppy Playtime which is becoming increasingly popular on YouTube, Roblox and other platforms used by young children. Please find the link to an information leaflet and make sure that you monitor your child's use of tablets, phones and laptops.
